Education

- Ph.D. Seoul National University** Sept 2026 – present
Department of Architecture and Architectural Engineering
- M.S. Seoul National University** Sept 2024 – Aug 2026
Department of Architecture and Architectural Engineering
Advisor: Prof. Changbum Ryan Ahn
Thesis: Analyzing the Role of Region-of-Interest Identification in Multimodal Large Language Models for Construction Drawing Question Answering
- B.S. Seoul National University** Mar 2016 – Feb 2024
Department of Architecture and Architectural Engineering

Research Experience

- Development of a Drawing-Specialized Visual-Language Reasoning AI for Automated Design Review and 2D Plan Recognition of Multi-Family Housing** Apr 2026 – Dec 2028
Lead Researcher
- A Study on the Effectiveness Analysis and Improvement of On-Site Operability of Hazard and Risk Prevention Plans in the Construction Industry** May 2024 – Nov 2024
Researcher
- Development of Construction Site Smart Safety Model Factory and Evaluation Standards** May 2023 – Nov 2023
Researcher
